An Indecent Proposition (Signet Eclipse) By Emma Wildes

It's the talk of the town. London's two most notorious rakes have placed a very public wager on which of them is the greatest lover. But what woman of beauty, intelligence, and discernment would consent to judge such a contest? Lady Carolyn Wynn is the last woman anyone would expect to step forward. But if the men keep her identity a secret, she'll decide who has the most finesse between the sheets. To everyone's surprise, however, what begins as an immoral proposition turns into a shocking lesson in everlasting love.

Editorial Review

Review

"A Rising star who Writes Incredible Historical Romance."

"A luxurious and sensual read. Both deliciously wicked and tenderly romantic... I didn't want it to end!" --
Celeste Bradley

"Emma Wildes has an amazing flair for taking what could be considered controversial subject matter and turning it into a beautiful love story that has the reader cheering... A truly rare and remarkable talent!"

Regency fans will thrill to this superbly sensual tale of an icy widow and two decadent rakes. When the duke of Rothay and the earl of Manderville make a foolish and scandalously public wager over which of them is the more skillful lover, the firmly respectable and notoriously unavailable Lady Caroline Wynn makes the even more shocking offer to serve as judge. The trio all harbor complex secrets of their own, and as they discreetly begin the judging process far away from the keen eyes of society gossips, more than the lady's reputation and the gentlemen's pride are at risk from their growing passions. Balancing deliciously erotic encounters with compelling romantic tension and populating a convincing historical setting with a strong cast of well-developed characters, prolific romance author Wildes ("A Devil's Bargain") provides a spectacular and skillfully handled story that stands head and shoulders above the average historical romance. ?Publisher's Weekly, (Starred Review, Pick o
