I Shall Wear Midnight (Tiffany Aching) By Terry Pratchett

The fourth in a series of Discworld novels starring the young witch Tiffany Aching.

As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root. Aided by the tiny-but-tough Wee Free Men, Tiffany faces a dire challenge, for if she falls, the whole Chalk falls with her. . . .

Editorial Review

From School Library Journal

Gr 7 Up—This is the final adventure of the young witch, Tiffany Aching, and her obnoxious, fawning, and yet lovable small blue companions, the Nac Mac Feegles. In many ways it's a coming-of-age novel, as Tiffany is now on her own. Known as "The Hag O'the Hills," she spends her time tending to the messy, menial, everyday things that no one else will take care of, such as fixing bones or easing the pain of a dying man. But as she tries to serve the people of the Chalk hills, she senses a growing distrust of her, and a loss of respect for witches in general. Along with the Nac Mac Feegles, she has to seek out the source of this growing fear. Tiffany discovers she may have been responsible for waking an evil force when she kissed the winter in Wintersmith (HarperTempest, 2006). The Cunning Man is in need of a host body and is searching for Tiffany. Pratchett combines gut-busting humor and amusing footnotes with a genuine poignancy as Tiffany tries to decide what her future should be. Fans of the author's "Discworld" (HarperCollins) books will enjoy the connections with the larger series, particularly the inclusion of Granny Weatherwax. Simply put, this fourth and final book in the series is an undisputed triumph.—Tim Wadham, St. Louis County Library, MO

Pratchett returns to the terra firma of his popular, sprawling Discworld series, the young-reader corner of which centers around teen witch Tiffany Aching. Being a good witch mostly means tending to the locals' minor aches, pains, and kerfuffles—which she does with as much aplomb as anyone could be expected to muster—but to become a great witch, she'll have to contend with the malevolent ghost of an ancient witch-burner. Yet even that might not be as terrifying as trying to keep the peace between the humans and the wee Nac Mac Feegles (whose primary skills are drinking, brawling, having Scottish brogues, brawling a bit more, and stealing every scene they're in) and, shudder, getting wrapped up in the wedding of her childhood friend, who is suddenly a very myopic baron. The action never picks up much more momentum than a determined amble, but readers won't care a whit because in terms of pure humor per square word, Pratchett may be the cheeriest writer around. Now that Tiffany Aching's adventures are concluded, readers can explore the nearly three decade's worth of other Discworld books. Grades 8-12. --Ian Chipman

Review

"At once touchingly poignant and uproariously hilarious, this novel is a splendid goodbye to a batch of characters who will be missed by readers who still must admit that, with this fourth volume, their stories have been well and thoroughly told"— (Bulletin of the Center for Children's Books (starred review))

Users Review

From reader reviews:

Rachel Robbins:

This I Shall Wear Midnight (Tiffany Aching) are generally reliable for you who want to be a successful person, why. The reason of this I Shall Wear Midnight (Tiffany Aching) can be on the list of great books you must have is actually giving you more than just simple studying food but feed you with information that might be will shock your before knowledge. This book is usually handy, you can bring it everywhere you go and whenever your conditions in e-book and printed people. Beside that this I Shall Wear Midnight (Tiffany

Aching) forcing you to have an enormous of experience such as rich vocabulary, giving you test of critical thinking that could it useful in your day exercise. So , let's have it and revel in reading.

Darren Billups:

Spent a free a chance to be fun activity to complete! A lot of people spent their sparetime with their family, or their particular friends. Usually they accomplishing activity like watching television, gonna beach, or picnic inside park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Could possibly be reading a book can be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to test look for book, may be the reserve untitled I Shall Wear Midnight (Tiffany Aching) can be very good book to read. May be it can be best activity to you.

Loren Velasco:

People live in this new moment of lifestyle always try and and must have the time or they will get lot of stress from both day to day life and work. So , whenever we ask do people have spare time, we will say absolutely without a doubt. People is human not a robot. Then we ask again, what kind of activity are there when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading books. It can be your alternative inside spending your spare time, often the book you have read is usually I Shall Wear Midnight (Tiffany Aching).

Thomas Baldwin:

This I Shall Wear Midnight (Tiffany Aching) is great reserve for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can claim no rambling sentences inside. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but challenging core information with lovely delivering sentences. Having I Shall Wear Midnight (Tiffany Aching) in your hand like getting the world in your arm, information in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen small right but this publication already do that. So , this is good reading book. Hi Mr. and Mrs. busy do you still doubt which?
