Editorial Review

From the Back Cover

Born on a slave ship crossing the Atlantic, Ignatius Sancho defied what he called the 'miserable fate of almost all of our unfortunate colour'. A friend of Laurence Sterne, and author of *A Theory of Music*, Sancho had become part of the literary and musical establishment by the time of his death in 1780. Bringing to life an exemplary black Englishman lost in traditional history, Ignatius Sancho offers a fascinating insight into the life of this remarkable man.

Users Review

From reader reviews:

Armando Ceballos:

In this 21st century, people become competitive in every single way. By being competitive currently, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice through surrounding. One thing that sometimes many people have underestimated it for a while is reading. That's why, by reading a publication your ability to survive increases then having a chance to stand out than others is high. For you personally who want to start reading some sort of book, we give you that Ignatius Sancho: African Man of Letters book as a starter and daily reading reserve. Why, because this book is usually more than just a book.
