Review

A wonderful resource for someone who is tutoring children of different levels in reading. One book to help them with all of their children, what a bargain!

- Christine M Eaton, Owner/Director, Little Learners Early Childhood Center, Inc., Olathe, KS

Dr. Cunningham's description of her "personal phonics history" lets the reader see that she truly understands what being a teacher is all about. It is no wonder that every book or article she authors is a best-seller!

I already own a previous edition, but the new material makes this book worth investing in once again.

- Tracy Hendrix, Academic Coach, Carnesville Elementary School, Carnesville, GA

All elementary (K through 5) teachers should own this book and implement the strategies and lessons Patricia Cunningham suggests.

- Christine Frazer, Title I Reading Specialist, Henry P. Fieler Elementary, Merrillville, IN
