## The Eyes of the City By Richard Sandler

Timing, skill, and talent all play an important role in creating a great photograph, but the most primary element, the photographer's eye, is perhaps the most crucial. In *The Eyes of the City*, Richard Sandler showcases decades' worth of work, proving his eye for street life rivals any of his generation.

From 1977 to just weeks before September 11, 2001, Richard regularly walked through the streets of Boston and New York, making incisive and humorous pictures that read the pulse of that time. After serendipitously being gifted a Leica camera in 1977, Sandler shot in Boston for three productive years and then moved back home to photograph in an edgy, dangerous, colicky New York City.

In the 1980s crime and crack were on the rise and their effects were socially devastating. Times Square, Harlem, and the East Village were seeded with hard drugs, while in Midtown Manhattan, and on Wall Street, the rich flaunted their furs in unprecedented numbers, and "greed was good."

In the 1990s the city underwent drastic changes to lure in tourists and corporations, the result of which was rapid gentrification. Rents were raised and neighborhoods were sanitized, clearing them of both crime and character. Throughout these turbulent and creative years Sandler paced the streets with his native New Yorker's eye for compassion, irony, and unvarnished fact.

The results are presented in *The Eyes of the City*, many for the first time in print. Overtly, they capture a complex time when beauty mixed with decay, yet below the picture surface, they hint at unrecognized ghosts in the American psyche.

## Editorial Review

### Review

"From the anonymous masses in Grand Central Terminal to Orthodox Jews on the subway, *The Eyes of the City* is a tribute to the unrecognized ghosts of New York's past." –**i-D**

"From the pages of his new book, you can almost hear the rattle of the subway cars, the tap of high heels on concrete and the commotion of midtown rush hour. But if the city is the theatre, it's the people who take center stage." –**TIME Lightbox**

"In the book, Sandler takes us on a wild and wandering journey through a New York (and briefly Boston as well) that hardly exists anymore, staring, prying and eavesdropping along the way. We wander through the concrete and steel canyons with him, noting the characters that punctuate the masses teeming by on sidewalks; we descend underground to the subway and meet more characters playing out the drama of living in one of the world's most famous, gritty and raw cities." –**Washington Post**

"It's a dramatic appraisal of street photography, yet Sandler's images are so frequently more so. A picture is worth a thousand words, and all that. Sandler's street life chronicles — from the day he was given his Leica, to just weeks before 9/11 — are brought together; drama rarely far, New York's strange souls laid bare." –**WeHeart**

### About the Author

**Richard Sandler** is a street photographer and documentary filmmaker. He has directed and shot eight non-fiction films, including *The Gods of Times Square*, *Brave New York* and *Radioactive City*. Sandler's still photographs are in the permanent collections of the New York Public Library, the Brooklyn Museum, the New York Historical Society, and the Houston Museum of Fine Art. He was awarded a New York Foundation for the Arts fellowship for photography, a John Simon Guggenheim Foundation fellowship for Filmmaking, and a New York State Council on the Arts fellowship also for Filmmaking.

## Users Review

### From reader reviews:

#### Terry White:

As people who live in typically the modest era should be upgrade about what going on or facts even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know what kind you should start with. This *The Eyes of the City* is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

**Randal Revilla:**

Playing with family in a park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, subsequently why you don't try factor that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Eyes of the City, you may enjoy both. It is very good combination right, you still would like to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

**Erin Marshall:**

This The Eyes of the City is fresh way for you who has intense curiosity to look for some information since it relief your hunger of information. Getting deeper you into it getting knowledge more you know or else you who still having bit of digest in reading this The Eyes of the City can be the light food to suit your needs because the information inside this book is easy to get simply by anyone. These books produce itself in the form and that is reachable by anyone, yeah I mean in the e-book type. People who think that in guide form make them feel tired even dizzy this book is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the idea! Just read this e-book style for your better life in addition to knowledge.

**Marina Tijerina:**

Some individuals said that they feel uninterested when they reading a e-book. They are directly felt that when they get a half elements of the book. You can choose the book The Eyes of the City to make your personal reading is interesting. Your own personal skill of reading proficiency is developing when you such as reading. Try to choose very simple book to make you enjoy to study it and mingle the opinion about book and looking at especially. It is to be very first opinion for you to like to wide open a book and study it. Beside that the e-book The Eyes of the City can to be your friend when you're really feel alone and confuse using what must you're doing of that time.
