Black Diamond 3 (Urban Books) By Brittani Williams

Her happily-ever-after ending was just the beginning. . .

For two years, Diamond and Black have been living comfortably on their high-class cul-de-sac with their daughter, Dior. They're ready to leave the drug business behind them, having enough money to continue their lavish lifestyle without going back to the streets to re-up.

With the loss of his sister Mica, Johnny can feel nothing but rage for the woman he once loved. Now he plans to strip her of everything that she loves. From behind bars on his death bed, he sets a plan in motion that will tear Diamond's world apart.

Fighting to survive, Diamond almost gives up--until a mystery man enters her life. She believes he will save the day, but is he genuine, or just another person out to teach Diamond a lesson?

What would you do if your prized possessions were in danger of being taken away?
