From [Booklist](#)

Plum's Revenant trilogy comes to an end, but not without suspense, bloodshed, a horrific zombie war, death, reanimation, and romance. Kate sheds her high-school facade to concentrate on her relationship with the bardia and their war against the numa. But first she must help find a way to rescue Vincent's spirit from the evil Violette, who has tricked him, killed him, and burned his body. Her challenge is to find the funeral urn called a thymiaterion, interpret its seven symbols, and thus unlock the ancient secret to his reembodiment all before Violette absorbs his power permanently. Can she do it? Find out in this swash-buckling final episode with plot twists and unexpected revelations. Grades 8-11. --Frances Bradburn
