### **Editorial Review**

#### Review

"As the first general collection of Latin quotations published in ten years, this book offers wisdom and humor from classical, medieval, and renaissance periods. Its scope is wide (nearly 8000 quotations are listed)...Overall, this is a delightful and instructive collection. Its selected English-Latin index makes the book useful for beginners or those whose Latin is rusty."

-Library Journal

**Cheryl Ruiz:**

As a scholar exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Routledge Dictionary of Latin Quotations: The Illiterati's Guide to Latin Maxims, Mottoes, Proverbs, and Sayings (Latin for the Illiterati) can make you really feel more interested to read.
