The Three Ninja Pigs By Corey Rosen Schwartz

Practice makes perfect in this kick-butt fractured fairy tale.

Why does this wolf think he can come to town and blow all the houses down? These three little pigs just aren't going to take it from that bully anymore! The first starts aikido lessons---he'll make mincemeat out of that wolf! His brother learns a little jujitsu--he'll chop that guy to pieces!

But when the wolf actually appears, it turns out these two pigs aren't quite ready after all. Good thing their sister has been training every day to master some serious karate moves that save the day. KIYA!

Corey Rosen Schwartz serves up a fun combination of smart-aleck dialogue and tongue-in-cheek rhymes that'll have kids howling, and rising star Dan Santat's spunky illustrations are sure to pack a punch!

Editorial Review

From School Library Journal

K-Gr 2-In this fractured fairy tale, three little pigs are portrayed as frustrated siblings fed up with a wolf that loves to huff and puff and blow houses down. In an attempt to protect their homes in their Japanese village, they train at a Ninja school. As the first brother begins aikido lessons, he finds himself bored and drops out, which gives him little defense when the wolf comes to call. Pig Two attempts his skill at jujitsu but his confidence is larger than his capabilities, and he is no match for the villain. Their sister is the only one who studies well and practices until she masters karate. When the wolf arrives at her door, she settles the score and sends him running. Learning a lesson from their gutsy sister, the brothers return to their classes with more determination and success. Unlike the original tale, the pigs are given responsibility for their misfortune and a chance for improvement. The story has a clear message that success requires perseverance. The text and glossary include martial-arts terms. Santat's artwork is in manga style and has wonderful depictions of Japanese scenery and architecture. The pigs are full of motion and emotion as they train and battle with the wolf. Youngsters with an interest in martial arts and those seeking strong female characters will relish this picture book.-Diane Antezzo, Ridgefield Library, CT(c) Copyright 2011. This riotous rumble of a takeoff begins with three pigs—two brothers and a sister—saying enough to the huffy puffy wolf destroying houses in their town. So it's off to the ninja school, where the first brother takes up aikido, but he drops out in two weeks. The second brother takes jujitsu and makes good progress, but he is too impatient to keep up his lessons. Only sister pig, a karate student, becomes so skilled that she can break boards by "performing a perfect pork chop!" Anyone who knows the original story will be well aware of what comes next, but this standout version has so much motion, action, and laughs, kids will feel like they're hearing it for the first time. Schwartz's clever rhyming text flows nicely, and illustrator Santat (who holds a black belt in shotokan) really gets into things. Executed in Sumi brushwork on rice paper (and completed in Adobe Photoshop), the pictures have a three-dimensional feel that's great when kicks and chops are being executed. Sayonara, Mr. Wolf. Preschool-Grade 3. --Ilene Cooper

Review

"A fractured fairy tale to outcharm the original, "The Three Ninja Pigs" manages to one-up the well-worn story by setting it in Japan, sprinkling it with the language and discipline of martial arts. All in hilarious, impeccable rhyme." — **The New York Times Book Review**

"For young martial arts fans seeking a lighthearted book about their hobby, Schwartz's story should fit the bill. . . . The idea of three gi-clad pigs fighting the big bad wolf is a winner." — **Publishers Weekly**

"A standout among fractured fairy tales, masterfully combining rollicking limerick verse with a solid story. . . . Have the contact info for the local dojo handy--readers will want to try out these martial-arts styles for themselves." — **Kirkus Reviews**

"This standout version has so much motion, action, and laughs, kids will feel like they're hearing it for the first time. Schwartz's clever rhyming text flows nicely, and illustrator Santat (who holds a black belt in *shotokan*) really gets into things." --*Booklist*

Users Review

From reader reviews:

Amy Dixon:

Nowadays reading books be than want or need but also work as a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The info you get based on what kind of e-book you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one along with theme for entertaining including comic or novel. The The Three Ninja Pigs is kind of book which is giving the reader unstable experience.
