A Prisoner of Birth: A Novel By Jeffrey Archer

If Danny Cartwright had proposed to Beth Wilson on any other day, he would not have been arrested and charged with the murder of his best friend. But when the prosecution witnesses happen to be a group of four upper-crust college friends—a barrister, a popular actor, an aristocrat, and the youngest partner in an established firm's history—who is going to believe Danny's side of the story?

Danny is sentenced to twenty-two years and sent to Belmarsh prison, the highest-security jail in the land, from where no inmate has ever escaped. But Spencer Craig, Lawrence Davenport, Gerald Payne, and Toby Mortimer all underestimate Danny's determination to seek revenge—and the extent to which his fiancée Beth will go in pursuit of justice.

Editorial Review

From Publishers Weekly

Bestseller Archer (*Kane and Abel*) pays homage to Dumas's *The Count of Monte Cristo* in this delicious updating of the adventure classic. Four upper-crust friends from Cambridge University known as the Musketeers conspire to frame Danny Cartwright, an illiterate London East Ender, for the murder of Danny's oldest friend and brother-in-law to be, Bernie Wilson. The outcome of the intriguing trial, which pits a relatively novice defense lawyer against a skilled prosecutor, is a 22-year sentence for Danny. In maximum-security Belmarsh prison, Danny is lucky enough to share a cell with Sir Nicholas Moncrieff, the book's Abbé Faria figure, who teaches him to read and write. In a trick familiar to those who know their Dumas, Danny escapes by impersonating Moncrieff and hatches an intricate scheme to punish the Musketeers and clear his name. While Archer doesn't explore the cost to Danny's soul his revenge exacts, the author's firsthand knowledge of prison life and legal maneuvers helps make this a thoroughly enjoyable entertainment. *250,000-copy printing; author tour. Review

“A compelling read.” *?Newsday*

“Archer plots with skill, and keeps you turning the pages.” *?The Boston Globe*

“Thoroughly enjoyable.” *?Publishers Weekly*

“Dynamite...plot twists and a slam-bang finale.” *?The Washington Post*

From the Inside Flap

International bestseller and master storyteller Jeffrey Archer is at the very top of his game in a story of fate and fortune, redemption and revenge.

If Danny Cartwright had proposed to Beth Wilson the day before, or the day after, he would not have been arrested and charged with the murder of his best friend. But when the four prosecution witnesses are a barrister, a popular actor, an aristocrat, and the youngest partner in an established firm's history, who is going to believe your side of the story?

Danny is sentenced to twenty-two years and sent to Belmarsh prison, the highest-security jail in the land, from where no inmate has ever escaped.

However, Spencer Craig, Lawrence Davenport, Gerald Payne, and Toby Mortimer all underestimate Danny's determination to seek revenge, and Beth's relentless quest to pursue justice, which ends up with all four fighting for their lives,

Thus begins Jeffrey Archer's most powerful novel since "Kane and Abel," with a cast of characters that will remain with you long after you've turned the last page.

And if that is not enough, prepare for an ending that will shock even the most ardent of Archer's fans.
