Editorial Review

Amazon.com Review

Number sixteen in the esteemed Redwall animal fantasy series, young readers will find *Loamhedge* just as wild and woolly as its predecessors. In this chapter of the seemingly endless history of the woodland abbey, adventure is sparked by the sad plight of the haremaid, Martha Braebuck. Due to a terrible event that befell her when she was just an abbey Dibun, Martha has lost the ability to walk. But when legendary mouse Martin the Warrior comes to her in a dream and explains that the secret to winning back her legs lies within the cursed walls of the ancient abbey Loamhedge, Martha hopes for a hero who will travel to the ruins on her behalf. Enter world-class adventurers Braggon the otter and Sarobando the squirrel. The best friends have come for a visit, and decide to undertake Martha's quest. Yet, just as soon as the two tricksters leave, the peaceful abbey folk fervently wish them back, as Redwall is suddenly under siege from the dread searat Raga Bol and his motley crew of vermin. But even as he endeavors to force the Redwall folk from their cozy nest, Raga Bol is plagued by nightmares of the massive badger archer Lonna Bowstripe, who is coming to end his reign of terror. But will Lonna get to Redwall in time to save the forest folk? And will Martha ever walk again? The only thing that's certain is that the fur will fly and numerous feasts will be noisily consumed in yet another fur-tastic tale from beloved British storyteller Brian Jacques. (Ages 10 and older) --*Jennifer Hubert*

From [Booklist](#)

Gr. 5-8. Fans of the Redwall series will be mightily pleased by Jacques' new action-packed adventure featuring the stalwart creatures of Mossflower country. The peace of the abbey is shattered when a trio of rebellious young Redwallers, lead by Horthy Braebuck, an audacious hare, run off to join the seasoned adventurers Bragoon and Sarobando on a hazardous quest to the long-abandoned Loamhedge Abbey, seeking a cure for Horthy's wheelchair-bound sister, Martha. The abbey comes under siege by the vicious searat Raga Bol, but in true Redwall fashion, heroes emerge: an immense badger seeking revenge against Raga Bol becomes a powerful ally, Martha helps save the abbey, and Bragoon and Sarobando ably guide Horthy and his pals on their first adventures away from the abbey and toward adulthood. The action never lets up, the bad guys are satisfyingly evil, and the Abbeybeasts seem like old friends. The story is laced with humor, the feasts are mouth-watering, and the language is rich. Yep, it's another good yarn. *Chris Sherman*
