Editorial Review

About the Author

Kelly Cowan just celebrated her 20th anniversary at Miami University Middletown, an open admissions campus in Ohio. She received her Ph.D. at the University of Louisville, and later worked at the University of Maryland and the University of Groningen in the Netherlands. She specializes in teaching microbiology to nonmajors, and especially to pre-nursing and allied health students. She herself fell in love with microbiology while pursuing an undergraduate degree in dental hygiene. She has made it her personal mission to hear nurses and dental hygienists she encounters in everyday situations exclaim, "I loved my microbiology class!"

Users Review

From reader reviews:

Peter Zimmerman:

Many people spending their period by playing outside using friends, fun activity using family or just watching TV all day long. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book really can hard because you have to use the book everywhere?
