Editorial Review

From School Library Journal

Grade 8-12-- An outstanding book about Napoleon and his era. As the title indicates, Marrin--while not neglecting Napoleon's other accomplishments--focuses on his subject's military genius, with thorough descriptions of weapons, campaigns, battles, and opponents such as Nelson and Wellington. He gives a balanced analysis of Napoleon, does an excellent job of putting things in context, and provides a wealth of detail. Marrin's study is truly fascinating, not merely educational; it should become the definitive work on this period of French history. McGuire's *Napoleon* (Chelsea, 1986; o.p.), while adequate, is less challenging and less interesting. --Ann W. Moore, formerly at Lane Road Library, Columbus, OH

Users Review

From reader reviews:

Janice Burgess:

Do you have favorite book? Should you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each book has different aim or goal; it means that guide has different type. Some people sense enjoy to spend their time and energy to read a book. These are reading whatever they consider because their hobby is definitely reading a book. Why not the person who don't like reading through a book? Sometime, particular person feel need book after they found difficult problem or perhaps exercise. Well, probably you will need this *Napoleon and the Napoleonic Wars*.

Jennifer Mitchell:

In this 21st one hundred year, people become competitive in each way. By being competitive currently, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the idea for a while is reading. Yes, by reading a book your ability to survive raise then having chance to remain than other is high. To suit your needs who want to start reading any book, we give you this kind of *Napoleon and the Napoleonic Wars* book as beginner and daily reading book. Why, because this book is greater than just a book.

Kate Vasquez:

The event that you get from *Napoleon and the Napoleonic Wars* is a more deep you searching the information that hide within the words the more you get considering reading it. It does not mean that this book is hard to understand but *Napoleon and the Napoleonic Wars* giving you excitement feeling of reading. The writer conveys their point in selected way that can be understood by simply anyone who read it because the author of this guide is well-known enough. That book also makes your own personal vocabulary increase well. Making it easy to understand then can go to you, both in printed or e-book style are available. We highly recommend you for having this *Napoleon and the Napoleonic Wars* instantly.

Cherie Fidler:

Is it a person who having spare time and then spend it whole day simply by watching television programs or just laying on the bed? Do you need something new? This Napoleon and the Napoleonic Wars can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your time by reading in this new era is common not a nerd activity. So what these books have than the others?
