Serial Killers: The Method and Madness of Monsters By Peter Vronsky

A comprehensive examination into the frightening history of serial homicide—including information on America’s most prolific serial killers.

In this unique book, Peter Vronsky documents the psychological, investigative, and cultural aspects of serial murder, beginning with its first recorded instance in Ancient Rome through fifteenth-century France on to such notorious contemporary cases as cannibal/necrophile Ed Kemper, Henry Lee Lucas, Ted Bundy, and the emergence of what he classifies as the “serial rampage killer” such as Andrew Cunanan.

Vronsky not only offers sound theories on what makes a serial killer but also makes concrete suggestions on how to survive an encounter with one—from recognizing verbal warning signs to physical confrontational resistance. Exhaustively researched with transcripts of interviews with killers, and featuring up-to-date information on the apprehension and conviction of the Green River killer and the Beltway Snipers, Vronsky’s one-of-a-kind book covers every conceivable aspect of an endlessly riveting true-crime phenomenon.

Editorial Review

Review

“This formidably comprehensive, brilliantly researched book must be the most wide-ranging work on serial killers that has been written so far. The fact that it sprang from the author’s brief encounters with two serial killers lends it a sense of personal urgency.”—Colin Wilson, author of *Killers Among Us* and *Written in Blood*.

“*Serial Killers: The Method and Madness of Monsters* is one of the most complete books I have read on serial killers. If you are fascinated by the human mind and by those who are abnormal, this is the book for you.”—Roundtable Reviews

About the Author

Peter Vronsky is an investigative historian and a producer of documentary films for television. His work has appeared on PBS, Discovery Channel, MTV, CNN, and various international channels. He holds a Ph.d. in history from University of Toronto.

Users Review
