Tally O'Malley (MathStart 2) By Stuart J. Murphy

The O'Malleys are off to the beach! But it's a long, hot, boring drive. What can Eric, Bridget, and Nell do to keep busy? Play tally games, of course -- counting up all the gray cars or green T-shirts they see. Whoever has the most marks at the end wins the game.

Eric wins the first game. Bridget wins the second. It seems like poor Nell will never win a game! But Nell has the luck of the Irish on her side, and a surprise in store for her big brother and sister.

Editorial Review

About the Author

Stuart J. Murphy is a visual learning specialist. A graduate of the Rhode Island School of Design, he has a strong background in design and art direction. He also has extensive experience in the world of educational publishing. Drawing on all these talents, Stuart J. Murphy brings a unique perspective to the MathStart series. In MathStart books, pictures do more than tell stories; they teach math.

Stuart J. Murphy and his wife, Nancy, live in Boston.

Cynthia Jabar lives on a small island off the coast of Maine where she loves to paint, to kayak, and to illustrate books for children. Other books she's illustrated include *The Greatest Gymnast of All* by Stuart J. Murphy and *Mommies are for Counting Stars* by Harriet Ziefert. She doesn't love washing her car or the dishes!

Users Review

From reader reviews:

Evan Hinson:

Information is provisions for folks to get better life, information today can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider when those information which is in the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Tally O'Malley (MathStart 2) as your daily resource information.

Lilian Anderson:

This Tally O'Malley (MathStart 2) is great book for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. That book reveal it facts accurately using great manage word or we can state no rambling sentences inside it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but hard core information with attractive delivering sentences. Having Tally O'Malley (MathStart 2) in your hand like keeping the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. stressful do you still doubt that?

Charles Myers:

Is it anyone who having spare time after that spend it whole day by simply watching television programs or just resting on the bed? Do you need something totally new? This Tally O'Malley (MathStart 2) can be the response, oh how comes? A book you know. You are and so out of date, spending your spare time by reading in this completely new era is common not a nerd activity. So what these books have than the others?

Elizabeth Rivera:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information coming from a book. Book is prepared or printed or created from each source which filled update of news. On this modern era like right now, many ways to get information are available for you actually. From media social like newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your understanding by that book. Do you want to spend your spare time to open your book? Or just in search of the Tally O'Malley (MathStart 2) when you required it?
