American Gurus: From Transcendentalism to New Age Religion By Arthur Versluis

By the early twenty-first century, a phenomenon that once was inconceivable had become nearly commonplace in American society: the public spiritual teacher who neither belongs to, nor is authorized by a major religious tradition. From the Oprah Winfrey-endorsed Eckhart Tolle to figures like Gangaji and Adhyashanti, there are now countless spiritual teachers who claim and teach variants of instant or immediate enlightenment.

American Gurus tells the story of how this phenomenon emerged. Through an examination of the broader literary and religious context of the subject, Arthur Versluis shows that a characteristic feature of the Western esoteric tradition is the claim that every person can achieve "spontaneous, direct, unmediated spiritual insight." This claim was articulated with special clarity by the New England Transcendentalists Bronson Alcott and Ralph Waldo Emerson. Versluis explores Transcendentalism, Walt Whitman, the Beat movement, Timothy Leary, and the New Age movement to shed light on the emergence of the contemporary American guru.

This insightful study is the first to show how Asian religions and Western mysticism converged to produce the phenomenon of "spontaneously enlightened" American gurus.

Editorial Review

Review

"The first truly thoughtful history of an important aspect of religion in North America...*American Gurus* acts as a handy source of short intellectual biographies of some of the movement's lesser known figures of whom there has previously been very little publicly available information. As such, it is a valuable source for religious studies researchers."--*Books at a Glance*

"[The book] covers many figures who are little known - and some who are completely off the beaten track (perhaps its chief virtue) - and it puts them together in an interesting way to tell an original story about the history of religion in America."--Hugh B. Urban, Ohio State University

"Versluis is one of the leading scholars of esoteric traditions in the United States, and this volume nicely complements his earlier work on esoteric themes in Transcendentalism and the American Renaissance, tracing the influence of the same esoteric currents up to the present."--Daniel P. McKanan, Harvard University

About the Author

Arthur Versluis, Chair of the Department of Religious Studies and Professor in the College of Arts & Letters at Michigan State University, holds a doctorate from the University of Michigan, Ann Arbor, and has published numerous books and articles. Versluis was awarded a Fulbright scholarship to Germany, and is the founding editor of *Esoterica*, and co-editor of *JSR: Journal for the Study of Radicalism*. He is the founding president of the Association for the Study of Esotericism.

Users Review

From reader reviews:

Esther Ponce:

Nowadays reading books are more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of guide you read, if you want send more knowledge just go with schooling books but if you want sense happy read one using theme for entertaining including comic or novel. The American Gurus: From Transcendentalism to New Age Religion is kind of reserve which is giving the reader unpredictable experience.

Eva Ammons:

The actual book *American Gurus: From Transcendentalism to New Age Religion* has a lot info on it. So when you read this book you can get a lot of gain. The book was compiled by the very famous author. Mcdougal makes some research just before write this book. This book very easy to read you can get the point easily after reading this article book.

Octavio Martin:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, after that why you don't try issue that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love *American Gurus: From Transcendentalism to New Age Religion*, you may enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't obtain it, oh come on its called reading friends.

Nancy Harris:

Are you kind of active person, only have 10 or 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short space of time to read it because this all time you only find reserve that need more time to be examine. *American Gurus: From Transcendentalism to New Age Religion* can be your answer since it can be read by you actually who have those short time problems.
