Dear America: Voyage On The Great Titanic By Ellen Emerson White

One of the most popular Dear America diaries of all time, Ellen Emerson White's bestselling VOYAGE ON THE GREAT TITANIC is now back in print with a gorgeous new package! Five years ago, Margaret Ann Brady's older brother left her in the care of an orphanage and immigrated to America. When the orphanage receives an unusual request from an American woman looking for a traveling companion, Margaret's teachers agree that she is the perfect candidate to accompany Mrs. Carstairs on the TITANIC, so that once Margaret arrives in New York she will be free to join her brother in Boston. But the TITANIC is destined for tragedy, and Margaret's journey is thrown into a frozen nightmare when the ship collides with an iceberg.

Editorial Review

From School Library Journal

Grade 4-8-The hopes and dreams of a young girl are beautifully conveyed through White's engaging narrative. Orphaned Margaret Ann looks forward to the day when she will have enough money to leave London to be reunited with her brother in America. She is given that opportunity when she becomes the companion to Mrs. Carstairs, a wealthy American returning to the States. Their voyage aboard the Titanic is a thrilling experience for Margaret until disaster strikes. Readers will be drawn to this 13-year-old's humble, friendly disposition. Friendship, courage, and fortitude are themes that resonate throughout the novel, contributing to its structural integrity. The story's historical significance is evident in Margaret's descriptions of the liner, the famous people she encounters, and the events leading up to the tragedy. A strong female protagonist and a flowing, descriptive narrative result in a powerful book about human frailty and courage in the face of adversity. Poignant scenes of familial love and friendship are believable, and Margaret's spiritual and emotional growth are evident by the course her life takes after the trauma. Archival photos and a time line bring the reality of the situation to light. A heartwarming story with wide appeal.

Gr. 3[^]-6. Like Osborne's *Standing in the Light*, reviewed above, this novel is part of the Dear America series. It features orphan Margaret Brady, who is hired as a companion to wealthy American Mrs. Frederick Carstairs, traveling on the maiden voyage of the R. M. S. *Titanic* in 1912. For Margaret, this is an opportunity to join her older brother, William, in Boston. By now everyone in America knows the *Titanic* story backwards and forwards, and White's narrative provides no new insights. Margaret, like her celluloid twin Rose, passes up a seat in a life raft to search the lower decks for her doomed friend Robert, a ship's steward. Unlike Rose, Margaret's behavior with Robert remains age appropriate. Although perhaps not a first choice, this will be popular with the movie's young fans and will fill a need in most libraries. Appended with a historical note, period photos, and a time line. *Kay Weisman*
