Editorial Review

Review

If the animals on America's factory farms got together to award an Animal Nobel Peace Prize, they would surely give it to Temple Grandin. Who else has brought her combination of deep empathy and hard-headed engineering know-how to their lot? "Humane Livestock Handling" will make that know-how more widely available, and few things could do more to improve the lot of these animals. -Michael Pollan

From the Back Cover

Improve the day-to-day operation as well as the profitability of your farm by raising healthier, more contented animals. The benefits are great?for you and for your livestock.
