## **Editorial Review**

### Review

"A whole section is devoted to distinguishing between audit and research. Several of my colleagues have started out doing what they think is an audit only to find out later that what they have found and presented is in fact research. This section is particularly helpful in separating the two and avoiding this confusion."

### About the Author

About the editors: Clare Oakley - Clinical Research Worker, Institute of Psychiatry, King's College London. Floriana Coccia - Honorary Clinical Lecturer, University of Birmingham & Specialty Registrar in general adult psychiatry, Birmingham and Solihull Mental Health Foundation Trust. Neil Masson - Specialty Registrar in general adult psychiatry, NHS Greater Glasgow and Clyde. Iain McKinnon - Doctoral Research Fellow, National Institute for Health Research, Newcastle University Meinou Simmons - Specialty Registrar in child and adolescent psychiatry, Cambridge and Peterborough Foundation Trust.
