A History of White Magic By Gareth Knight

The world of magic is one of high imagination. In this wide-ranging historical survey Gareth Knight shows how the higher imagination has been used as an aid to the evolution of consciousness, from the ancient Mystery Religions, through Alchemy, Renaissance Magic, the Rosicrucian Manifestos, Freemasonry and 19th century Magical Fraternities, up to the modern era. Knight considers magic as a middle ground between science and religion, reconciling them in a technology of the imagination, which properly used, can bring about personal regeneration and spiritual fulfilment. He uses Coleridge's theory of the imagination as a basis for the validity of magic as science and art in its own right. Many systems and structures have come down through the ages slightly shoddy, misrepresented, maligned, misaligned. With this book a deconstruction becomes a recycling of raw material for the purposes of re-ordering and re-configuring - a righted prism, a shored up temple, a foundational re-ballasting.

Editorial Review

Review

It is obvious from the beginning that we have here a work revealing the author's spiritual maturity, a work with a definite message and structure, rather than the piecemeal gathering of snippets of information which often is offered in books with this sort of title, by inferior authors with little occult understanding.A" - The Hermetic Journal

Users Review

From reader reviews:

Michael Cooke:

Many people spending their moment by playing outside together with friends, fun activity along with family or just watching TV the whole day. You can have new activity to shell out your whole day by reading through a book. Ugh, think reading a book will surely hard because you have to bring the book everywhere? It ok you can have the e-book, taking everywhere you want in your Smartphone. Like A History of White Magic which is having the e-book version. So , why not try out this book? Let's find.

Melanie Tuck:

Do you like reading a book? Confuse to looking for your best book? Or your book has been rare? Why so many issue for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading through, not only science book but novel and A History of White Magic as well as others sources were given understanding for you. After you know how the great a book, you feel need to read more and more. Science publication was created for teacher or even students especially. Those textbooks are helping them to add their knowledge. In different case, beside science guide, any other book likes A History of White Magic to make your spare time more colorful. Many types of book like this.

Ronald Hopkins:

A lot of e-book has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the top book for you, science, comic, novel, or whatever by searching from it. It is known as of book A History of White Magic. You can add your knowledge by it. Without causing the printed book, it could add your knowledge and make you actually happier to read. It is most significant that, you must aware about reserve. It can bring you from one location to other place.

Alexander Taylor:

What is your hobby? Have you heard that question when you got students? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And you know that

little person including reading or as looking at become their hobby. You should know that reading is very important along with book as to be the matter. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You find good news or update concerning something by book. Many kinds of books that can you take to be your object. One of them is niagra A History of White Magic.
