Editorial Review

Review

This book provides a valuable resource for all those who seek to understand the sources of supply chain risk and provides powerful insights into how that risk might be mitigated. --**Martin Christopher**, Emeritus Professor of Marketing & Logistics, Cranfield School of Management, UK

This handbook is perfectly balanced with academic theory and real-world best practices making it a useful resource for both supply chain practitioners and students of the trade. --**Sean S. Murphy**, President and CEO, Lootok

This book provides practitioners and students with an overview of good supply chain risk management practices, nicely illustrated with a diverse set of case examples. --**Stephan M. Wagner**, Ph.D., Professor and Chair of Logistics Management, Swiss Federal Institute of Technology Zurich (ETH Zurich)
