**Shackleton's Journey** From Flying Eye Books

**Winner of the 2015 Kate Greenaway Medal**  
**A New York Times Best Illustrated Book of 2014**  
**Best Children's Book of 2014, Wall Street Journal**  
**Best Children's Book of 2014, Brain Pickings**  
**A 2015 USBBY Outstanding International Book**

Young, up-and-coming illustrator William Grill weaves a detailed visual narrative of Shackleton's journey to Antarctica.

Grill's beautiful use of colored pencils and vibrant hues effortlessly evokes the adventure and excitement that surrounded the expedition. His impeccably researched drawings, rich with detail, fastidiously reproduce the minutiae of the expedition.

Children will love examining the diagrams of the peculiar provisions and the individual drawings of each sled dog and packhorse. This book takes the academic and historical information behind the expedition and reinterprets it for a young audience.

## Editorial Review

Review

**Winner of the 2015 Kate Greenaway Medal**

**A New York Times Best Illustrated Book of 2014**

**Best Children's Book of 2014, Wall Street Journal**

**Best Children's Book of 2014, Brain Pickings**

**A 2015 USBBY Outstanding International Book**

"Mr. Grill's manner of illustration lends itself beautifully to the juxtaposition of early-20th-century human ingenuity and the raw, indifferent power of nature."

—*Wall Street Journal*

"A book every house should have."

—*The Guardian*

"A magnificent chronicle by emerging illustrator William Grill, whose affectionate and enchanting colored-pencil drawings bring to life the legendary explorer and his historic expedition."

—*Brainpickings*

"A perfect picture book for any would be historian or adventurer. "

—*This Picture Book Life*

"Author William Grill does an excellent job telling this story so that the book can be both a resource for a child's book report as well as a captivating picture book for anyone wanting to learn about this expedition. But even more powerful than the narrative are the detailed and dramatic illustrations, done in colored pencils, many which, if framed, would look stunning on a wall. To top it all off, the textured book cover and raw, thick pages make this a book to flaunt on your coffee table or child's bookshelf."

—*Wink Books*

"This is a book that will appeal to adult art lovers, picture book fans and history buffs (of which, I fall into all three categories), children and adult alike. The book's large format gives ample space for detailed colored pencil illustrations and the perfect pacing for such a fascinating journey." - *The Eric Carle Museum*

"What a remarkable book, and a harrowing story of bravery, endurance and hope! [...] Beautifully illustrated and endlessly compelling, it is a tribute to explorers, their bravery and their hopes."

- *Sal's Fiction Addiction*

"William Grill's well designed book is the perfect introduction for young readers to get a sense of the Endurance expedition." - *Mindy Rhiger*

"An example of the arty but accessible [...], the sketches evoke the feeling of a naturalist's diary with an almost documentary feeling as we peek into the mundane (six months provisions) isolating hardship (crossing the ice fields) and relief (rescue and survival)." — *Lisa Von Drasek, Early Word*

"The meticulously detailed colored pencil illustrations highlight the planning, the departure, the voyage, the

rescue efforts, and the successful return of the crew after the loss of the Endurance on the ice."

—*Dragon Lode*

#### About the Author

First time author and recent graduate from the University of Falmouth, William Grill is a fresh-faced new talent. With a slew of prizes and exhibitions under his belt, Grill's vibrant colors and cheerful illustration truly bring a book to life.
