Editorial Review

Review

“Keys to a well-lived life. A lovely read filled with meaningful insight.”

— **Marianne Williamson**

From the Author

When someone asks me to name my favorite among all the books I've written, I ask them what a parent of three or four or six children might say if asked to name their favorite, and they get the point: I love them all. No one is better, only different.

Certainly my first, or signature book, *Way of the Peaceful Warrior*, is best known, and close to my heart. Yet each book provides its own unique facets. And yet . . . and yet . . . I do have a special feeling about *The Four Purposes of Life*. Because it truly delivers on the promise of its subtitle -- "finding meaning and direction in a changing world."

This book, which offers hope as well as encouraging reminders, is both timely and timeless, exploring and answering deep (yet often unasked) questions at the core of our lives: *What am I here to do? What do I really want? Is getting what I want going to take me to where I want to be?* And finally, *What is the purpose of my life?*

This book contains some important elements from earlier books, but for the first time places them in their proper context. After reading it once, and even again, most readers will experience a quantum leap in wisdom and perspective that can last a lifetime.

About the Author

Dan Millman, the author of 17 books translated into 29 languages, teaches worldwide, speaking to people from all walks of life, including leaders in the fields of health, psychology, education, business, politics, sports, entertainments, and the arts. He lives in New York City.

Users Review

From reader reviews:

Maria Vanness:

The guide with title *The Four Purposes of Life: Finding Meaning and Direction in a Changing World* possesses a lot of information that you can discover it. You can get a lot of benefit after read this book. That book exist new know-how the information that exist in this publication represented the condition of the world now. That is important to yo7u to understand how the improvement of the world. This specific book will bring you throughout new era of the syndication. You can read the e-book in your smart phone, so you can read that anywhere you want.

Latasha Hisle:

The reason? Because this *The Four Purposes of Life: Finding Meaning and Direction in a Changing World* is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret that inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the book store hurriedly.

Deborah Wilkerson:

Reading a book to get new life style in this year; every people loves to examine a book. When you study a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, and soon. The *The Four Purposes of Life: Finding Meaning and Direction in a Changing World* provide you with new experience in looking at a book.

Gale Gibbs:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this *The Four Purposes of Life: Finding Meaning and Direction in a Changing World* can make you experience more interested to read.
