The Reporter's Handbook: An Investigator's Guide to Documents and Techniques By John Ullman

Written under the sponsorship of Investigative Reporters and Editors Inc., this new edition of "The Reporter's Handbook" has been thoroughly revised. Now packed with greater detail than the previous edition, this comprehensive source-book examines how to investigate a wide variety of subjects. It lists the most useful records and documents associated with each topic, explains where to get them and how to use them. It also identifies hundreds of private and government documents and human sources.
