Forever in Blue: The Fourth Summer of the Sisterhood (The Sisterhood of the Traveling Pants) By Ann Brashares

“Genuinely moving,” declared *Entertainment Weekly* of the fourth and final novel in the #1 *New York Times* bestselling Sisterhood of the Traveling Pants series by Ann Brashares, author of *The Here and Now*.

With unraveled embroidery and fraying hems, the Traveling Pants are back for one last, glorious summer. It’s a summer that will forever change the lives of Lena, Bridget, Tibby, and Carmen, here and now, past and future, together and apart.

“A strong, satisfying conclusion.” —*Booklist*

“An ode to love and friendship.” —*Kirkus Reviews*

“A great read.” —*Daily News* (New York)

Pants = love. Love your pals. Love yourself.

Editorial Review

Amazon.com Review

Ann Brashares has created a wonderful, heartfelt series for teens (and adults) around a pair of pants. In her breakout bestseller, *The Sisterhood of the Traveling Pants*, Brashares introduced readers to four girls, Lena, Bridget, Carmen, and Tibby, and to the magical pair of jeans that fit them all perfectly, and inspired them to live their young lives to the fullest. *Forever in Blue*, the fourth and final novel in the series, promises a dazzling finale--one "last glorious summer" for the four girls, and their fans. See a note from author Ann Brashares, below.--*Daphne Durham*

A Note from Ann Brashares

December 1, 2006

Dear Amazon Reader,

Well, here we are together again. If you are getting ready to read the fourth book, *Forever in Blue*, that means we've probably spent some time together. I hope you've enjoyed it. I know I have.

We don't know each other and we may never get to meet, but I feel like we are connected nonetheless. We've spent time with four fictional girls together. We've puzzled over their lives and their choices. We've rooted for them and sometimes felt annoyed by them. We've shared some hopes for them, I think, and in the process for ourselves.

So thank you for being part of the sisterhood with me. I have really appreciated your company along the way.

Happy reading,

Ann

The Second Summer of the Sisterhood

The Sisterhood of the Traveling Pants

From School Library Journal

Grade 8 Up—In their latest episode, Bridget goes to Turkey on an archaeological excavation and Lena takes a painting class in Providence. Tibby stays in New York to take classes, and Carmen attends a theater festival in Vermont to work as backstage crew. There are new love interests, loss of virginity, and breakups and makeups. The themes are familiar, but fans who already identify with the characters will want to read more about their latest exploits. The pants play a more prominent role than they did in the third book and a significant event takes place as each teen receives them. The possibilities and impossibilities of love are explored as Bridget is attracted to the married leader of the excavation team and Tibby fears she is pregnant. When Carmen auditions and lands a major role in the theater production, she worries that she cannot handle the part. Although squeamish at first, Lena becomes attracted to a fellow art student when they agree to pose in the nude for each other on weekends. Although the ending is a bit unrealistic, fans will surely suspend judgment as they delight in the story. The quotes from famous people that open each chapter are the most profound words in the book, but young romance readers and those wanting light fare will not be disappointed.—*Linda L. According to the publisher, this title marks "one last, glorious summer" for the traveling pants, and it's a time of changing identities and growing independence for the Sisterhood. As they discover new talents after their first year of college, the girls face increasingly grown-up dilemmas: an unwanted-pregnancy scare, crushes on married men, malicious co-workers, and questions about how to know if a love is lasting. By summer's end, each realizes that, with or without the pants, she is confident, talented, and lucky to share in such a nurturing lifelong friendship. A strong, satisfying conclusion that won't disappoint fans. *Gillian Engberg*
