Looking For Mr. Right By Bradley Trevor Greive

Every woman's been there and some have been there again and again! Best-selling author Bradley Trevor Greive (BTG) understands (really, he does) the very essence of woman's age-old quest for her soul mate, the endlessly frustrating search for "Mr.Right." Women from all walks of life ask, "Why is a good man so hard to find?" BTG has the raw objectivity, brutal honesty, and deep insight into the male psyche (after all, he is the enemy) to provide a credible answer: "Hey, maybe there aren't any!"

Bradley Trevor Greive again has combined witty, original text with superb, side-splitting photographs (retro images of people this time) to perfectly illustrate a simple, but powerful message about how we choose to live our life and who we choose to share it with.

Looking for Mr. Right is one of the most hilarious, uplifting books for women ever written and makes an absolutely ideal gift for all ages.

Editorial Review

Review

From the bestselling author of *The Blue Day* book comes an uplifting look at the perennial search for Mr Right told through a delightful mix of retro images and wise and witty words.

About the Author

Since the debut of his international bestseller *The Blue Day Book*, Bradley Trevor Greive has become a household name in more than 115 countries. A former Australian paratrooper, BTG left the army to pursue more creative misadventures. He has been bitten by wild monkeys and rabid bats and was accepted into Russia's cosmonaut training program--though those incidents were, by and large, unrelated. BTG spends most of his time in a tiny Tasmanian hamlet.
