Pick Your Poison (Ruby Redfort) By Lauren Child

Meet Ruby Redfort: every smart kid's smart kid. The fifth book in the nail-biting series, created by award-winning author Lauren Child. Ruby Redfort: undercover agent, code-cracker and thirteen-year-old genius - you can count on her when you're between a rock and a hard place. There's a lot to lose sleep over in Twinford: there's the snakes and the bivalves, but they aren't half as poisonous as the rumours. With so many twists and turns it's hard to know who to trust, particularly when no one trusts you. Will Ruby make it out in one piece? Well, happy endings are for fairy tales, bozo.

She has won numerous awards including the prestigious Kate Greenaway Medal and the Smarties Gold Award. Her books have been made into an award-winning TV series and have sold in many languages with runaway success.

Users Review

From reader reviews:

Johnny Hoffman:

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or their particular friends. Usually they carrying out activity like watching television, about to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Might be reading a book could be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of book that you should read. If you want to test look for book, may be the guide untitled Pick Your Poison (Ruby Redfort) can be fine book to read. May be it might be best activity to you.

Nicholas Buchanan:

Pick Your Poison (Ruby Redfort) can be one of your nice books that are good idea. We recommend that straight away because this reserve has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort to place every word into joy arrangement in writing Pick Your Poison (Ruby Redfort) but doesn't forget the main place, giving the reader the hottest as well as based confirm resource info that maybe you can be among it. This great information could drawn you into brand-new stage of crucial thinking.

Amy Arwood:

Many people spending their time by playing outside together with friends, fun activity using family or just watching TV 24 hours a day. You can have new activity to invest your whole day by reading through a book. Ugh, do you consider reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, getting everywhere you want in your Mobile phone. Like Pick Your Poison (Ruby Redfort) which is obtaining the e-book version. So , why not try out this book? Let's notice.

Joshua Yoshida:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Pick Your Poison (Ruby Redfort) can make you feel more interested to read.
