Editorial Review

Review

 "It is a straightforward book that introduces and reviews essential information about the topics of abnormal psychopathology in children and adolescents. The information covered is comprehensive in terms of topics and issues, current research and perspectives."
   - Gaston Weisz, *Adelphi University*

About the Author

Sue Cloninger is a California native who, after living several places in the U.S. and Germany, has settled in upstate New York for the past three decades. She is a professor of psychology at the Sage Colleges in Troy and Albany, New York, and also teaches online through Empire State College.
