Waking from Doctrinal Amnesia: The Healing of Doctrine in The United Methodist Church By William J. Abraham

Asserting that the "return to Wesley" that is represented in the Quadrilateral is "intellectually wrongheaded," William J. Abraham argues that the Quadrilateral is not, and should not be, United Methodist doctrine. Abraham's lively treatise makes a provocative appeal for a reasoned exploration of the significance of the UMC's doctrinal identity. He reveals how churches have faced incompatible doctrinal proposals within their midst and examines the specific issues facing the United Methodist church as a whole.
