Becoming Me Journal: with excerpts from Diary of a Teenage Girl series by Melody Carlson By Melody Carlson

In the past eight years, Melody Carlson has published over ninety books for children, teens, and adults, with sales totaling more than two million. A new partnership with Ellie Claire takes her Diary of a Teenage Girl series one step further and personalizes universal teen issues in a Journal format. The trusted voice of Caitlin O'Connor from the popular series will help young women deal with peer pressure, self-acceptance, relationships with friends and family, and understanding God's unique plan for their lives. I want to go alongside you as you begin to write about your life - and it's my prayer that this journal will be like the key to who you are, that you will begin to find yourself, and that you'll ultimately become the person God has designed you to be. ~ Caitlin O'Connor
