### Consent to Kill: A Thriller (A Mitch Rapp Novel Book 6) By Vince Flynn

For years, Mitch Rapp's bold actions have saved the lives of countless Americans. He has killed with impunity, tortured to avert disaster, and shown he will do whatever it takes to prevent terrorists from fulfilling their bloody wishes. His battles for peace and freedom have made him a hero to many, and an enemy to countless more. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who want to see Mitch Rapp eliminated. They have decided the time has come.

Now, the powerful father of a dead terrorist demands vengeance in its simplest form -- an eye for an eye, and Rapp instantly becomes the target of an international conspiracy. This time, he must use all of his vigilance and determination to save himself before he can turn his fury on those who have dared to betray him.

### Editorial Review

From Publishers Weekly

A veteran of more than 800 unabridged novels, Guidall brings his considerable talents to this latest thriller featuring CIA assassin Mitch Rapp. This adventure finds Rapp the target of a billionaire Saudi, who blames Rapp for his son's death and has put a \$20-million bounty on the American operative's head. Accepting the offer is a husband and wife assassin team who may be the equal of the seemingly invulnerable Rapp. What follows is an intricate story of death, betrayal and revenge. Guidall's smooth, confident narration and fully developed characterizations make for a first-rate listening experience. He handles Flynn's detailed, and at times long, exposition with ease, while effortlessly switching voices and accents in his portrayal of the book's international cast of characters. He nicely avoids turning the sometimes over-the-top writing into a melodramatic cartoon and keeps the story straightforward and suspenseful. It's a credit to both Flynn and Guidall that this trio of cold-blooded assassins are humanized, which makes the rather surprising ending all the more effective and moving.
