Froggy Goes to the Doctor By Jonathan London

Froggy is going to the doctor for a checkup, and he's feeling a little nervous. "What if the doctor wants to give me a shot?" he thinks. He worries as he dresses and then he can't sit still in the waiting room. Finally, it's time to go in and change for his exam, but . . . OOPS! He's forgotten his underwear! And that's just the beginning of Froggy's hilarious doctor visit that ends reassuringly with a gold star and a lollipop.

Editorial Review

Amazon.com Review

Kids who go to the doctor for a routine checkup shouldn't worry too much. Unless they accidentally throw a paper airplane ("zwish!") into the doctor's eye. Or forget to wear underwear. ("Oops!") Or kick the doctor in the chin when she's testing knee reflexes with a little rubber hammer. ("Clack!") The beloved Froggy is his usual out-of-control self in Dr. Mugwort's office, and preschoolers pondering an impending doctor visit will be relieved to know it won't be too bad, might be fun, and could even involve a gold star or a lollipop. Jonathan London and illustrator Frank Remkiewicz disarm their young readers with giggles in books from *Froggy Learns to Swim* to *Froggy Goes to School*. Froggy's silly sound effects and slapstick antics guarantee a lively read-aloud. If laughter is indeed the best medicine, it's good to have a little Froggy on hand. (Preschool and older) --*Karin Snelson*

From Publishers Weekly

Ten years and 10 titles later (including *Froggy Learns to Swim*) a favorite amphibian is still kicking in *Froggy Goes to the Doctor* by Jonathan London, illus. by Frank Remkiewicz. Froggy's nervousness subsides and the check-up turns cheeky when he engages in his trademark antics. Copyright 2002 Cahners Business Information, Inc.

PreS-Gr. 2. Froggy makes his twelfth appearance, again putting his special twist on a universal childhood experience: this time, a checkup at the doctor's office. From forgetting to wear underwear to experimenting with Dr. Mugwort's stethoscope, Froggy's good-natured antics keep the adults around him on their toes as well as healthily amused. Remkiewicz's bright, boisterous, cartoony illustrations once again supply abundant visual humor. This isn't quite right for pre-exam sharing, but it will be a pleasant reward for reading on the trip home. *Catherine Andronik*
