

Neurosurgical Emergencies (AAN)

From Brand: TNY

Neurosurgical Emergencies (AAN) From Brand: TNY

This edition of *Neurosurgical Emergencies* is an up-to-date reference covering the most frequently encountered neurosurgical emergencies caused by disease, infection, trauma, and complications. It presents the current surgical guidelines for managing the full range of neurosurgical emergencies including those involving intracranial, spinal, and peripheral nerve pathology, and neurosurgical problems in pediatric patients. Expert specialists present their clinical insights in easy-to-follow protocols. Concise descriptions enable the reader to rapidly gain a firm understanding of pathogenesis of the problem, classification of injury, evaluation, clinical presentation, imaging, surgical indications, surgical approaches, and prognosis.

Highlights:

- New chapters on the assessment of acute loss of consciousness, emergency management of spinal cord injury, and the management of raised intracranial pressure
- More than 200 illustrations and images demonstrate key concepts

This authoritative text is an ideal resource for all neurosurgeons, residents, and specialists in emergency medicine.

Users Review

From reader reviews:

Jerry Brock:

Nowadays reading books are more than want or need but also work as a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of publication you read, if you want have more knowledge just go with education and learning books but if you want feel happy read one together with theme for entertaining like comic or novel. The Neurosurgical Emergencies (AAN) is kind of guide which is giving the reader unstable experience.

Joan Cross:

Reading a e-book tends to be new life style with this era globalization. With examining you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Books can also inspire a lot of people. Lots of author can inspire their reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on this planet always try to

improve their skill in writing, they also doing some exploration before they write to their book. One of them is this Neurosurgical Emergencies (AAN).

Jewel Williams:

People live in this new time of lifestyle always attempt to and must have the free time or they will get lots of stress from both everyday life and work. So , when we ask do people have free time, we will say absolutely indeed. People is human not just a robot. Then we question again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the actual book you have read is definitely Neurosurgical Emergencies (AAN).

Michelle Labat:

This Neurosurgical Emergencies (AAN) is great book for you because the content which is full of information for you who have always deal with world and possess to make decision every minute. This kind of book reveal it information accurately using great organize word or we can point out no rambling sentences in it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but challenging core information with wonderful delivering sentences. Having Neurosurgical Emergencies (AAN) in your hand like finding the world in your arm, data in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen second right but this reserve already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt in which?
