Of Plymouth Plantation 1620 - 1647 By William Bradford

Modern Library College Editions

William Bradford's "Of Plymouth Plantation" is a remarkable work by a man who himself was something of a marvel. It remains one of the most readable seventeenth-century American books, attractive to us as much for its artfulness as for its high seriousness, the work of a good storyteller with intelligence and wit. Edited, with an Introduction, by Francis Murphy.

Editorial Review

About the Author

“Bradford’s history is a story of a simple people inspired by an ardent faith to a dauntless courage in danger, a resourcefulness in dealing with new problems, an impregnable fortitude in adversity that exalts and heartens one in an age of uncertainty, when courage falters and faith grows dim. It is this story, told by a great human being, that has made the Pilgrim Fathers in a sense the spiritual ancestors of all Americans, all pioneers.” Thus Samuel Eliot Morison, the preeminent American historian in this field, in his Preface to this great American classic.

For the first time the printed text of Bradford’s history has been compared word for word with the original manuscript; for the first time the difficult abbreviations and contractions used by Bradford have been filled out and his archaic and variant spellings made uniform. This edition has a double value: it presents Governor Bradford’s text in readable form and it provides contemporary readers with a history of that text and its enduring significance by the historian clearly elect to interpret it.

Users Review

From reader reviews:

Dustin Alvarez:

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like looking for your favorite e-book and reading a reserve. Beside you can solve your trouble; you can add your knowledge by the e-book entitled Of Plymouth Plantation 1620 - 1647. Try to make book Of Plymouth Plantation 1620 - 1647 as your good friend.
