

Openly Straight

By Bill Konigsberg

Openly Straight By Bill Konigsberg

The award-winning novel about being out, being proud, and being ready for something else. Pre-order the companion novel *Honestly Ben* now (out 3/28/17)!

Rafe is a normal teenager from Boulder, Colorado. He plays soccer. He's won skiing prizes. He likes to write.

And, oh yeah, he's gay. He's been out since 8th grade, and he isn't teased, and he goes to other high schools and talks about tolerance and stuff. And while that's important, all Rafe really wants is to just be a regular guy. Not that GAY guy. To have it be a part of who he is, but not the headline, every single time.

So when he transfers to an all-boys' boarding school in New England, he decides to keep his sexuality a secret -- not so much going back in the closet as starting over with a clean slate. But then he sees a classmate breaking down. He meets a teacher who challenges him to write his story. And most of all, he falls in love with Ben... who doesn't even know that love is possible.

Editorial Review

Users Review

From reader reviews:

Jared Hoskins:

Book is actually written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. As you may know that book is important matter to bring us around the world. Adjacent to that you can your reading skill was fluently. A reserve Openly Straight will make you to end up being smarter. You can feel considerably more confidence if you can know about everything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you searching for best book or suited book with you?

Cameron Rodriquez:

The book Openly Straight can give more knowledge and information about everything you want. Why then must we leave the great thing like a book Openly Straight? A few of you have a different opinion about e-book. But one aim that will book can give many info for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or info that you take for that, you are able to give for each other; you are able to share all of these. Book Openly Straight has simple shape but the truth is know: it has great and large function for you. You can seem the enormous world by open up and read a book. So it is very wonderful.

Bruce Williamson:

Do you like reading a guide? Confuse to looking for your selected book? Or your book ended up being rare? Why so many query for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book but in addition novel and Openly Straight or perhaps others sources were given know-how for you. After you know how the good a book, you feel need to read more and more. Science guide was created for teacher or students especially. Those ebooks are helping them to increase their knowledge. In other case, beside science book, any other book likes Openly Straight to make your spare time considerably more colorful. Many types of book like this.

Kimberly Foust:

Many people said that they feel weary when they reading a reserve. They are directly felt the idea when they get a half regions of the book. You can choose typically the book Openly Straight to make your own personal reading is interesting. Your skill of reading talent is developing when you similar to reading. Try to choose simple book to make you enjoy to study it and mingle the idea about book and reading especially. It is to be initial opinion for you to like to available a book and read it. Beside that the book Openly Straight can to be your friend when you're experience alone and confuse with the information must you're doing of

this time.
