Oracle GoldenGate 11g Implementer's guide By John P Jeffries

More than just a step-by-step guide, this book offers examples, tips, and tricks that are all discussed in detail, providing the reader with the knowledge and confidence to implement them. Supporting diagrams, illustrations, and screenshots promote understanding and enhance the overall reading experience. The author's onsite experience in implementing Oracle GoldenGate in the financial sector is thoroughly reflected in this book. This book is for Solution Architects and Database Architects who wish to learn about the functionality and efforts required in implementing a data replication, migration or integration solution using GoldenGate. It is also designed for System Administrators and Database Administrators who want to implement, or those who have already implemented, Goldengate and who want to explore its advanced features. An intermediate understanding of Oracle database technology is assumed.

Editorial Review

About the Author

Originally from a development background, John P Jeffries has worked for Oracle Corporation since the Siebel acquisition in 2005. His time at Siebel was spent developing ETL solutions for Data Warehouses, later moving to Oracle Consulting and then Oracle Advanced Customer Services as a Senior Principal Consultant, earning the internal title of "The UK's Data Replication Expert". Now a freelance consultant, he can be found onsite in many of the world's most respected financial institutions in London, consulting on Oracle GoldenGate, Streams, and Active Data Guard. With over 15 years of Oracle experience, and an OCP since Oracle 8i, he has extensive knowledge of Oracle databases, including Enterprise Linux and RAC, coupled with the ability to design and build high-performance distributed database systems. He has trained internal and external clients in Data Warehousing and Data Replication techniques, and continues to share his knowledge and experience through his own Website: <http://www.oracle11ggetchas.com>.

Users Review

From reader reviews:

Amber Orłowski:

Information is provisions for those to get better life, information presently can get by anyone at everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is inside former life are hard to be find than now is taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen inside you if you take Oracle GoldenGate 11g Implementer's guide as the daily resource information.

Evelyn Looney:

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, subsequently why you don't try factor that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Oracle GoldenGate 11g Implementer's guide, it is possible to enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Marsha Cox:

This Oracle GoldenGate 11g Implementer's guide is great book for you because the content and that is full of information for you who else always deal with world and get to make decision every minute. This kind of book reveal it info accurately using great coordinate word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward

sentences but hard core information with splendid delivering sentences. Having Oracle GoldenGate 11g Implementer's guide in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen small right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. stressful do you still doubt that?

Harold Scott:

What is your hobby? Have you heard in which question when you got scholars? We believe that that concern was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you also know that little person like reading or as studying become their hobby. You need to understand that reading is very important and book as to be the point. Book is important thing to provide you knowledge, except your teacher or lecturer. You discover good news or update with regards to something by book. A substantial number of sorts of books that can you choose to use be your object. One of them is this Oracle GoldenGate 11g Implementer's guide.
