## Roll, Jordan, Roll: The World the Slaves Made By Eugene D. Genovese

This landmark history of slavery in the South—a winner of the Bancroft Prize—challenged conventional views of slaves by illuminating the many forms of resistance to dehumanization that developed in slave society.

Rather than emphasizing the cruelty and degradation of slavery, historian Eugene Genovese investigates the ways that slaves forced their owners to acknowledge their humanity through culture, music, and religion. Not merely passive victims, the slaves in this account actively engaged with the paternalism of slaveholding culture in ways that supported their self-respect and aspirations for freedom. *Roll, Jordan, Roll* covers a vast range of subjects, from slave weddings and funerals, to the language, food, clothing, and labor of slaves, and places particular emphasis on religion as both a major battleground for psychological control and a paradoxical source of spiritual strength. Displaying keen insight into the minds of both slaves and slaveholders, *Roll, Jordan, Roll* is a testament to the power of the human spirit under conditions of extreme oppression.

### Editorial Review

#### Review

"The most profound, learned, and detailed analysis of slavery to appear since World War II. It covers an incredible range of topics and offers fresh insights on nearly every page. . . . Genovese's great gift is his ability to penetrate the minds of both slaves and masters, revealing not only how they viewed themselves and each other, but also how their contradictory perceptions interacted." --*The New York Times Book Review*

"Without modern peer as an historical narrative, as a sensitive functional analysis of a major region and period of American society in general, and the Afro-American community in particular." --*The New Republic*

"Altogether a first-class historical work, enhanced by a good, forthright style" --*The New Yorker*

"Genovese has done more than any other American historian to life this tortured subject out of its culture-bound parochialism." --C. Vann Woodward, *The New York Review of Books*

#### From the Inside Flap

A reevaluation of the master-slave relationship in American history.

#### From the Back Cover

"The most profound, learned and detailed analysis of Negro slavery to appear since World War II.

### Users Review

#### From reader reviews:
