Techniques of Positional Play: 45 Practical Methods to Gain the Upper Hand in Chess By Valeri Bronznik

Opening preparation is useful, but understanding the middlegame is much more important. This book, an improved edition of a Russian classic, teaches amateur chess players 45 extremely effective skills in a crystal-clear manner.

Quite a few of the ideas presented here will surprise the reader, because they offer solutions for problems the club player is only subconsciously aware. How do you activate your rook pawn? How do you prevent your opponent from opening a file? How do you restrict the efficacy of your opponents pieces? Which rook belongs on the c-, d- or e-file? What is the best way to exchange a piece? How do you castle artificially? In most cases the techniques are easy to understand and memorize. Bronznik and Terekhin do not burden the reader with deep analysis and only present those variations that are really necessary to get the point. There is a special training section at the end of the book where you can test your skills.

Editorial Review

Review

One of the best books on positional play you're ever likely to read. (Paul Kane *Manchester Chess Federation*)

I am absolutely convinced that every (really every!) chess player will learn a whole lot from this book. For me personally it is one of the best chess books on the market today. (Martin Rieger *Schachwelt*)

Do you want to try this extraordinary paying spare time activity?

Bessie Hall:

That publication can make you to feel relax. This particular book Techniques of Positional Play: 45 Practical Methods to Gain the Upper Hand in Chess was bright colored and of course has pictures around. As we know that book Techniques of Positional Play: 45 Practical Methods to Gain the Upper Hand in Chess has many kinds or category. Start from kids until teens. For example Naruto or Private investigator Conan you

can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading which.

Debbie Gray:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Techniques of Positional Play: 45 Practical Methods to Gain the Upper Hand in Chess can make you really feel more interested to read.
