The Long 1968: Revisions and New Perspectives (21st Century Studies)

From Indiana University Press

From the mid-1960s to the early 1970s, revolutions in theory, politics, and cultural experimentation swept around the world. These changes had as great a transformative impact on the right as on the left. A touchstone for activists, artists, and theorists of all stripes, the year 1968 has taken on new significance for the present moment, which bears certain uncanny resemblances to that time. The Long 1968 explores the wide-ranging impact of the year and its aftermath in politics, theory, the arts, and international relations?and its uses today.

Editorial Review

Review

"The Long 1968 makes an important contribution to our understanding of politics and social life over four decades after the revolutionary fervor of 1968. As a complex, overlapping series of reflections on the impact of '68 in a present moment characterized by political apathy, cynicism, paralysis, and even despair, the volume is especially welcome. For those readers still committed to the possibility of political and social transformation, the volume offers both a sobering assessment of the differences between 'then' and 'now' and an intriguing invitation to reclaim the 'spirit of '68' for creative interventions in the present.... Sophisticated enough for an audience of specialists but also will be accessible to non-specialists. It will be especially valuable in upper-level undergraduate and graduate courses in history; cultural studies; women's and gender studies; science and especially technology studies; French, Latin American, and African studies; art history; and media studies.... An impressive achievement." ?Lynne Huffer, Emory University

"Bringing together the fields of visual culture, art history, film and media studies, philosophy, and history, The Long 1968 illuminates the often-overlooked histories of 1968.... [T]he diverse sources and methodologies makes this a welcome addition that encourages further avenues of research." ?The Journal of American History

"[T]he thorough descriptions in the very useful introduction and the internal coherence of each section of the book [and] the wide-ranging selections are quite navigable. There are pieces of interest here to scholars working in any of the areas these essays engage, particularly those teaching social movements, transnationalism, performance, representation, and cultural politics." ?Register of the Kentucky Historical Society

"A rich and compelling volume.... [M]akes an important contribution to scholarship on '1968,' and it is very teachable." ?Daniel A. Segal, Munroe Center for Social Inquiry, Pitzer College

Milwaukee.

Users Review

From reader reviews:

Shirley Joy:

Nowadays reading books be a little more than want or need but also turn into a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one with theme for entertaining for instance comic or novel. The actual The Long 1968: Revisions and New Perspectives (21st Century Studies) is kind of book which is giving the reader unpredictable experience.

William Harris:

Playing with family in a very park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Long 1968: Revisions and New Perspectives (21st Century Studies), you are able to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't buy it, oh come on its identified as reading friends.

Rodney Sierra:

That book can make you to feel relax. This book The Long 1968: Revisions and New Perspectives (21st Century Studies) was colourful and of course has pictures around. As we know that book The Long 1968: Revisions and New Perspectives (21st Century Studies) has many kinds or variety. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that will.

Mary Redus:

What is your hobby? Have you heard this question when you got pupils? We believe that that question was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. And you know that little person including reading or as reading through become their hobby. You should know that reading is very important in addition to book as to be the issue. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You get good news or update regarding something by book. Amount types of books that can you decide to try be your object. One of them are these claims The Long

1968: Revisions and New Perspectives (21st Century Studies).
