The Oxford Companion to Wine From Oxford University Press

Published in 1994 to worldwide acclaim, the first edition of Jancis Robinson's seminal volume, *The Oxford Companion to Wine*, immediately attained legendary status. The book has won every major wine book award including the Glenfiddich and Julia Child/IACP awards, and Robinson has received writer and woman of the year accolades for its editor on both sides of the Atlantic.

Combining meticulously-researched fact with refreshing opinion and wit, *The Oxford Companion to Wine* offers almost 4,000 entries on every wine-related topic imaginable, from regions and grape varieties to the owners, connoisseurs, growers, and tasters in wine through the ages; from viticulture and oenology to the history of wine. Tracing the consumption and production from the ancient world to the present day, the *Companion* is a remarkable resource for gaining further appreciation for a beverage whose popularity has only increased with time.

Now exhaustively updated, this third edition incorporates the very latest international research to present over 400 new entries on topics ranging from globalization and the politics of wine to brands, precision viticulture, and co-fermentation. Hundreds of other entries have also undergone major revisions, including yeast, barrel alternatives, climate change, and virtually all wine regions. Useful lists and statistics are appended, including controlled appellations and their permitted grape varieties, as well as wine production and consumption by country.

Illustrated with maps of every important wine region in the world, useful charts and diagrams, and stunning color photography, this *Companion* is unlike any other wine book, offering an understanding of wine in its many wider contexts - notably historical, cultural, geographic, and scientific - and serving as a truly companionable point of reference into which any wine-lover can dip, browse, and linger.

Editorial Review

Review

"Without question the most useful wine book ever published." --Mike Steinberger, Slate.com

"Serious wine geeks know that 'the bible' for the past decade or so has been Jancis Robinson's The Oxford Companion To Wine. The third edition...is impeccably researched and full of well-known facts as well as interesting trivia."--Wine Enthusiast.

"This is a must-have book for wine geeks...highly recommended for anyone with more than a passing interest in wine."--Wine Spectator, "Top 100" issue.

"It's hard to come up with a wine question that you won't find answered here... My advice is simple. Buy it. Now. You'll be glad you did."--Wineloverspage.com.

"An invaluable resource for serious wine drinkers who never quench their thirst for learning about varietals, appellations, wine history, and vineyards."--Business Week.

"It's as addictive as the Internet."--Tara Q. Thomas, Wine & Spirits.

"The third edition of The Oxford Companion to Wine, edited by Jancis Robinson, is the one essential book for any wine-lover... the book is a necessity for those in the wine business, and it offers highly pleasurable browsing for anybody who is remotely curious about why wine is so compelling."--Eric Asimov, The New York Times

"It's a valuable reference book and great fun just to pick up and read."--Ben Giliberti, The Washington Post

"Unquestionably the world's most comprehensive wine resource... Best of all, this isn't a dry encyclopedia... employs a witty insider's tone."--Town & Country
A Financial Times 2006 "Pick of the Year,"

About the Author

Jancis Robinson is a Master of Wine, the Financial Times wine writer, and the author/editor of dozens of wine books, including *The Oxford Companion to Wine* and *The World Atlas of Wine*. Her award-winning website, www.JancisRobinson.com, has subscribers in more than 100 countries.

Julia Harding, a Master of Wine, linguist, and fastidious editor, is Jancis Robinson's full-time assistant and associate palate. In this book, she has gathered the most up-to-date statistics about wine-grape plantings in every corner of the planet as well as unearthing recommended wine producers for almost every grape variety.

Users Review

From reader reviews:

James Brecht:

In this 21st one hundred year, people become competitive in every single way.
