The Oxford Handbook of the Archaeology of Death and Burial (Oxford Handbooks) From Oxford University Press

The Oxford Handbook of the Archaeology of Death and Burial reviews the current state of mortuary archaeology and its practice, highlighting its often contentious place in the modern socio-politics of archaeology. It contains forty-four chapters which focus on the history of the discipline and its current scientific techniques and methods.

Written by leading, international scholars in the field, it derives its examples and case studies from a wide range of time periods, such as the middle palaeolithic to the twentieth century, and geographical areas which include Europe, North and South America, Africa, and Asia. Combining up-to-date knowledge of relevant archaeological research with critical assessments of the theme and an evaluation of future research trajectories, it draws attention to the social, symbolic, and theoretical aspects of interpreting mortuary archaeology.

The volume is well-illustrated with maps, plans, photographs, and illustrations and is ideally suited for students and researchers.

Editorial Review

Review

"Tarlow and Stutz have collected chapters from more than 40 authors. Four major sections gather articles into overlapping themes: history and theory, methodology, case studies, and ethical and political issues. [...] Extensive bibliographies[...] Recommended." -J.C. Wanser, Hiram College, *CHOICE*

About the Author

Sarah Tarlow is Professor of Historical Archaeology at the University of Leicester where she has taught and researched the archaeology of death and historical archaeology since 2000. She has written several books and numerous academic articles and is an editor of *Archaeological Dialogues*.

Liv Nilsson Stutz is a lecturer in Anthropology at Emory University. She has published widely on the topics of mortuary ritual in the past and on the debate on repatriation and reburial., and is an editor of *Archaeological Dialogues*.

Users Review

From reader reviews:

Ethel Fung:

Do you have something that you like such as book? The reserve lovers usually prefer to decide on book like comic, small story and the biggest you are novel. Now, why not attempting The Oxford Handbook of the Archaeology of Death and Burial (Oxford Handbooks) that give your fun preference will be satisfied through reading this book. Reading practice all over the world can be said as the way for people to know world considerably better then how they react to the world. It can't be mentioned constantly that reading addiction only for the geeky man or woman but for all of you who wants to end up being success person. So , for every you who want to start reading as your good habit, you could pick The Oxford Handbook of the Archaeology of Death and Burial (Oxford Handbooks) become your own personal starter.

Peter Burnett:

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new?
