Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice)

From Routledge

Anarchism & Sexuality aims to bring the rich and diverse traditions of anarchist thought and practice into contact with contemporary questions about the politics and lived experience of sexuality. Both in style and in content, it is conceived as a book that aims to question, subvert and overflow authoritarian divisions between the personal and political; between sexual desires categorised as heterosexual or homosexual; between seemingly mutually exclusive activism and scholarship; between forms of expression such as poetry and prose; and between disciplinary categories of knowledge. *Anarchism & Sexuality* seeks to achieve this by suggesting connections between ethics, relationships and power, three themes that run throughout. The key objectives of the book are: to bring fresh anarchist perspectives to debates around sexuality; to make a queer and feminist intervention within the most recent wave of anarchist scholarship; and to make a queerly anarchist contribution to social justice literature, policy and practice. By mingling prose and poetry, theory and autobiography, it constitutes a gathering place to explore the interplay between sexual and social transformation. This book will be of use to those interested in anarchist movements, cultural studies, critical legal theory, gender studies, and queer and sexuality studies.

Editorial Review

Review

"I feel in reading some of these pieces that the participants have invested a lot of themselves in their contributions. There is an immediacy and liveliness in a lot of these pages. The personal investment on the part of the authors helps make it so that there is much to relate to in *Anarchism and Sexuality*, on both an intellectual level *and* an emotional level."

Michael Larson, M.A. Instructor at Point Park University, Pittsburgh, writing for Metapsychology

"This is the book I have been waiting for?the book I want to give my students, share with friends, and draw from in my own work. It makes me grateful for my training in feminist theory, and ever more committed to using anarchy as a basis for sexual politics."

Breanne Fahs, Ph.D., Arizona State University

"*Anarchism & Sexuality* is a brave and rewarding contribution to the field of inquiry of sexuality and emotions." Elena Lindholm Narváez (2011): A Post-anarchist Momentum, NORA - Nordic Journal of Feminist and Gender Research, DOI:10.1080/08038740.2011.646446

About the Author

Jamie Heckert is a founding member of the Anarchist Studies Network. His writings on identity, ethics, non-monogamy, post-anarchism and ecology have appeared in a variety of activist and scholarly publications

Richard Cleminson is Reader in the History of Sexuality at the University of Leeds and Associate Editor of *Anarchist Studies*. His research centres on the history of sexuality in Spain and he has published on anarchism and sexuality, the history of male homosexuality and hermaphroditism.

Users Review

From reader reviews:

Jim Weigel:

Nowadays reading books become more than want or need but also be a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want send more knowledge just go with training books but if you want experience happy read one using theme for entertaining like comic or novel. The actual *Anarchism & Sexuality: Ethics, Relationships and Power (Social Justice)* is kind of guide which is giving the reader unstable experience.

Jose Brummitt:
