Campbell's Operative Orthopaedics: 4-Volume Set, 12e By S. Terry Canale MD, James H. Beaty MD

Campbell's Operative Orthopaedics, by Drs. S. Terry Canale and James H. Beaty, continues to define your specialty, guiding you through when and how to perform **every state-of-the-art procedure that's worth using**. With **hundreds of new procedures, over 7,000 new illustrations**, a vastly expanded **video collection**, and new **evidence-based criteria** throughout, it **takes excellence to a new level**...because that is what your practice is all about.

- **Achieve optimal outcomes with step-by-step guidance on today's full range of procedures** from Campbell's Operative Orthopaedics - the most trusted and widely used resource in orthopedic surgery - authored by Drs. S. Terry Canale, James H. Beaty, and 42 other authorities from the world-renowned Campbell Clinic.
- **Access the complete contents online with regular updates, view all the videos, and download all the illustrations** at www.expertconsult.com.
- **See how to proceed better than ever before** with 45 **surgical videos** demonstrating hip revision, patellar tendon allograft preparation, open reduction internal fixation clavicle fracture, total shoulder arthroplasty, total elbow arthroplasty, and more - plus **over 7,000 completely new step-by-step illustrations and photos** commissioned especially for this edition.
- **Make informed clinical choices for each patient**, from diagnosis and treatment selection through post-treatment strategies and management of complications, with new **evidence-based criteria** throughout.
- **Utilize the very latest approaches in hip surgery** including hip resurfacing, hip preservation surgery, and treatment of hip pain in the young adult; and get the latest information on **metal-on-metal hips** so you can better manage patients with these devices.
- **Improve your total joint arthroplasty outcomes** by reviewing the **long-term data** for each procedure; and consider the pros and cons of new developments in **joint implant technology**, including "customized" implants and their effect on patient outcomes.
- **Implement new practices for efficient patient management** so you can accommodate the increasing need for high-quality orthopaedic care in our

aging population.

Editorial Review

Review

"Ultimately, comparing this to other books is not possible because *Campbell's* truly stands alone in the market. The best exercise is not to compare it to other books, but rather to compare it to its previous editions. In this regard, it is a significant upgrade to the 10th and 11th, and worthy of purchase. If you are still depending on an older edition, then you really need to get up to date and return to the roots that you were taught in orthopedic training. *Campbell's* has been a foundation of orthopedic education for many years, and the newest version drives home the fact that it will remain the key reference for the foreseeable future." - Mark R Hutchinson, MD(University of Illinois at Chicago College of Medicine) **Doody 5 stars**

Users Review

From reader reviews:

Terri Wiggins:

The book Campbell's Operative Orthopaedics: 4-Volume Set, 12e can give more knowledge and information about everything you want. So just why must we leave the best thing like a book Campbell's Operative Orthopaedics: 4-Volume Set, 12e? Several of you have a different opinion about guide. But one aim this book can give many data for us. It is absolutely right. Right now, try to closer with your book. Knowledge or facts that you take for that, it is possible to give for each other; it is possible to share all of these. Book Campbell's Operative Orthopaedics: 4-Volume Set, 12e has simple shape nevertheless, you know: it has great and big function for you. You can appearance the enormous world by open and read a guide. So it is very wonderful.

Willard Griffin:

Beside that Campbell's Operative Orthopaedics: 4-Volume Set, 12e in your phone, it could give you a way to get closer to the new knowledge or details. The information and the knowledge you are going to got here is fresh through the oven so don't become worry if you feel like an aged people live in narrow village. It is good thing to have Campbell's Operative Orthopaedics: 4-Volume Set, 12e because this book offers to you readable information. Do you often have book but you do not get what it's exactly about. Oh come on, that will not end up to happen if you have this in your hand. The Enjoyable agreement here cannot be questionable, just like treasuring beautiful island. So do you still want to miss that? Find this book in addition to read it from right now!

Michael Rodriguez:

Do you like reading a reserve? Confuse to looking for your preferred book? Or your book had been rare?

Why so many problem for the book? But virtually any people feel that they enjoy regarding reading. Some people likes reading, not only science book but additionally novel and Campbell's Operative Orthopaedics: 4-Volume Set, 12e or maybe others sources were given understanding for you. After you know how the good a book, you feel would like to read more and more. Science guide was created for teacher or maybe students especially. Those publications are helping them to put their knowledge. In other case, beside science guide, any other book likes Campbell's Operative Orthopaedics: 4-Volume Set, 12e to make your spare time far more colorful. Many types of book like this one.

Samuel Potter:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Campbell's Operative Orthopaedics: 4-Volume Set, 12e can make you truly feel more interested to read.
