Forbidden Flowers: More Women's Sexual Fantasies By Nancy Friday

Finally women can talk about what they used to only dream about...

Forbidden Flowers is Nancy Friday's second collection of sexual fantasies -- and it's even *more* explicit and outspoken than her original erotic masterpiece, *My Secret Garden*. The constant refrain from the legions of women across America who read *My Secret Garden* was, "Thank God I'm not the only one..." who had those wild, exciting erotic thoughts. With *Forbidden Flowers*, these women can yet again experience the exhilarating freedom that comes with the awareness and acceptance of their sexual selves.
