Editorial Review

From School Library Journal

Kindergarten-Grade 1-On 11 spreads, a mouse magician changes a middle vowel, thus creating a new word. Some of the pairs, such as "leg" and "log," will be familiar to beginning readers. Others, such as "rig" and "rug," will be less so. However, the color cartoon illustrations, featuring a mix of animals and people of varying ethnicity, show clearly what a "sax" is, even if the musical instrument is unfamiliar to children. A cheery introduction to vowels.
