Editorial Review

From the Back Cover

This book attempts to correct the distortions, for the silent era was the richest in the cinema's history. The author has tried to recapture the spirit of era through the words of those who created it. Linking chapters provide a context for the interviews has led to gaps, and I cannot claim that his book is definitive.

Users Review

From reader reviews:

Kimberly Langdon:

Why don't make it to become your habit? Right now, try to ready your time to do the important behave, like looking for your favorite e-book and reading a e-book.
