Misery Loves Cabernet: A Novel By Kim Gruenfelder

Charlize "Charlie" Edwards finally has it all: a house in Silverlake, L.A.'s hippest neighborhood, two fabulous best friends who always have her back, and a great (though hectic) job as the personal assistant to Hollywood's hottest movie star, Drew Stanton. But best of all, Charlie has a newly feathered love nest with Jordan, the sexy photographer she recently started dating. Maybe Charlie's journal of smart-alecky life advice—which she's always been better at writing than following—has finally helped put her on the right track.

Unfortunately for Charlie, Drew is causing complete havoc on his new movie set, her eccentric family is descending upon L.A. for the upcoming holiday season, and her love life may be back to square one. Jordan has left L.A. to work on a film shooting in Paris, where the women are gorgeous, sophisticated, and possibly after her man. And Drew's handsome new producer, Liam, is an old crush who has reappeared to tug at Charlie's heartstrings. Charlie's torn between the misery of waiting for Jordan and the tingly feelings she has for Liam. But there's nothing misery—or seduction—loves better than a great glass of cabernet.

The sequel to Gruenenfelder's debut, *A Total Waste of Makeup* (2005), finds endearingly neurotic Los Angeles denizen Charlie Edwards facing a separation from her hunky boyfriend, Jordan. When Jordan announces that he's going to Paris for several months to work on a film, Charlie suggests they take a break—a decision she regrets. Her best friends, Dawn and Kate, try to cheer her up, convincing her to go to a Halloween party where she runs into Liam, a handsome movie producer who wants Kate to convince her employer, megastar Drew Stanton, to star in his independent film. Eccentric Drew agrees, then starts making demands that include moving into Liam's house, where the movie is being shot. This forces Liam to relocate to Charlie's house, fanning the flames between them. Charlie is torn between wanting the gorgeous Liam and missing Jordan, who is never far from her thoughts. Gruenenfelder's second novel provides plenty of laughs courtesy of its colorful cast of characters. --Kristine Huntley
