Richard Paul Evans Ebook Christmas Set: Christmas List, Christmas Box Miracle, Finding Noel By RICHARD PAUL EVANS

Three magical Christmas books from one of the world's most beloved storytellers, the #1 *New York Times* bestselling author, Richard Paul Evans.

The Christmas List

What if someone read their obituary before they died? When real estate mogul James Kier is mistaken for another by the same name, he learns firsthand what the world really thinks of him, and decides to change his future. A holiday tale of true redemption, this novel will warm your season.

The Christmas Box Miracle: My Spiritual Journey of Destiny, Healing and Hope

In 1994, Richard Paul Evans, then an unknown writer, self-published a short book entitled *The Christmas Box*. That book went on to become an international bestseller, touching the lives of millions of people. *The Christmas Box Miracle* is the story behind the book that has become a Christmas classic: how a man writes and publishes a book which helps grieving people to heal and lost souls to find their way home. It is Evans's story: his own spiritual journey and stories of people he encountered along the way—miraculous stories of healing and divinity that often defy explanation.

Finding Noel

The Christmas season is supposed to be full of joy, but not for Mark Smart. Life had dealt him one body blow after another: he lost his scholarship and had to drop out of school; his beloved mother had died in a car crash; his girlfriend dumped him, and now, late on a snowy night in November, his car had broken

down. Stumbling into a coffee house, he was looking for a phone to call a tow truck. What he found was a beautiful young woman with an unusual name who, through a simple act of kindness, changed his life forever. *Finding Noel* is an inspiring novel about the power of love and the wonder of Christmas.
