The feminine mystique By Betty Friedan

Landmark, groundbreaking, classic — these adjectives barely describe the earthshaking and long-lasting effects of Betty Friedan's *The Feminine Mystique*. This is the book that defined "the problem that has no name," that launched the Second Wave of the feminist movement, and has been awakening women and men with its insights into social relations, which still remain fresh, ever since. A new introduction by the bestselling author Anna Quindlen traces the book in her own story and how it was prescient on consumer culture as well as domestic issues. "Betty Friedan has been and remains a bridge between conservative and radical elements in feminism, an ardent advocate of harmony and human values." — Marilyn French, *Esquire* "One of those rare books we are endowed with only once in several decades, a volume that launched a major social movement ... Betty Friedan is a liberator of women and men." — Amitai Etzioni, author of *The Spirit of Community: The Reinvention of American Society*

Editorial Review

Review

“Lively, astute, and ferocious. . . . *The Feminine Mystique* should be required reading for anyone who cares about women.” (Rachel Shteir - Chronicle of Higher Education)

“Brilliant. . . . [Friedan] succeeded where no other feminist writer had. She touched the lives of ordinary readers.” (Louis Menand - The New Yorker)

“If you want to understand the passion that helped fire up the modern women’s movement, there may be no better place to start than with *The Feminine Mystique*.” (Lynn Neary - NPR)

From the Publisher

First published in 1963, *The Feminine Mystique* ignited a revolution that profoundly changed our culture, our consciousness, and our lives. Today it newly penetrates to the heart of issues determining our lives -- and sounds a call to arms against the very real dangers of a new feminine mystique in the economic and political turbulence of the 1990s.

Three decades later, the underlying issues raised by Betty Friedan strike at the core of the problems women still face at home and in the marketplace. As women continue to struggle for equality, to keep their hard-won gains, to find fulfillment in their careers, marriage and family, *The Feminine Mystique* remains the seminal consciousness-raising work of our times.

From the Inside Flap

First published in 1963, *The Feminine Mystique* ignited a revolution that profoundly changed our culture, our consciousness, and our lives. Today it newly penetrates to the heart of issues determining our lives -- and sounds a call to arms against the very real dangers of a new feminine mystique in the economic and political turbulence of the 1990s.

Three decades later, the underlying issues raised by Betty Friedan strike at the core of the problems women still face at home and in the marketplace. As women continue to struggle for equality, to keep their hard-won gains, to find fulfillment in their careers, marriage and family, *The Feminine Mystique* remains the seminal consciousness-raising work of our times.

Users Review

From reader reviews:

Rachel Louviere:

What do you in relation to book? It is not important together with you? Or just adding material when you need something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to complete others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question simply because just their can do which. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this kind of *The feminine mystique* to read.

Edna McArdle:

Here thing why this The feminine mystique are different and dependable to be yours. First of all reading a book is good however it depends in the content than it which is the content is as scrumptious as food or not. The feminine mystique giving you information deeper as different ways, you can find any reserve out there but there is no guide that similar with The feminine mystique. It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is maybe can be happened around you. It is possible to bring everywhere like in park your car, café, or even in your technique home by train. If you are having difficulties in bringing the imprinted book maybe the form of The feminine mystique in e-book can be your choice.

Richard Vedder:

Many people spending their moment by playing outside having friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by looking at a book. Ugh, ya think reading a book can definitely hard because you have to use the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like The feminine mystique which is getting the e-book version. So , why not try out this book? Let's notice.

Mathew Holstein:

This The feminine mystique is fresh way for you who has curiosity to look for some information given it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this The feminine mystique can be the light food for you personally because the information inside this book is easy to get through anyone. These books produce itself in the form which can be reachable by anyone, yep I mean in the e-book web form. People who think that in e-book form make them feel drowsy even dizzy this guide is the answer. So there is not any in reading a guide especially this one. You can find what you are looking for. It should be here for you. So , don't miss the idea! Just read this e-book kind for your better life in addition to knowledge.
