Editorial Review

From Library Journal

Yankee Magazine has collected close to 300 recipes from the Northeast's best inns for this follow-up to *Best Recipes from New England Inns* (1991). Many are for home dishes, with lots of breakfast choices, hearty soups and chowders, and old-fashioned desserts and baked goods, but there are some more elegant ones too. Some recipes give low-fat alternatives or substitutions, and there is also a chapter of vegetarian entrees and side dishes. Recommended for regional libraries and other larger collections.
